Year founded: 1977

Ownership: 100 % family-run

Register court: Local court Krefeld
Register number: HRB 1444

Managing directors:		
Andreas Brüggem	Katharina-Victoria Völker	Hildegard Völker
		

Sales tax identification number: DE 120 159 090
D-U-N-S identification no. : 318 055 399

Customs tariff number: 853 400 19 (single layer unassembled) / 853 400 11 (multilayer unassembled)

EORI number: DE 25 00 361

Bank details: Deutsche Bank Krefeld

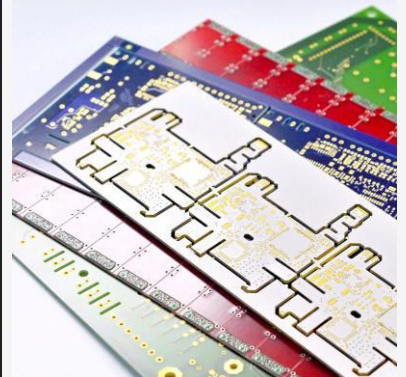

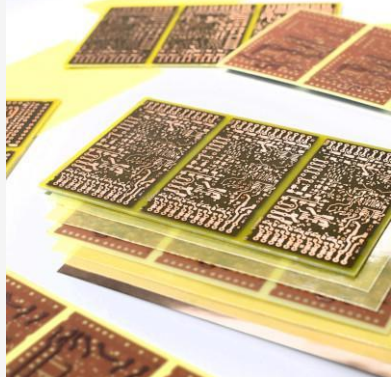

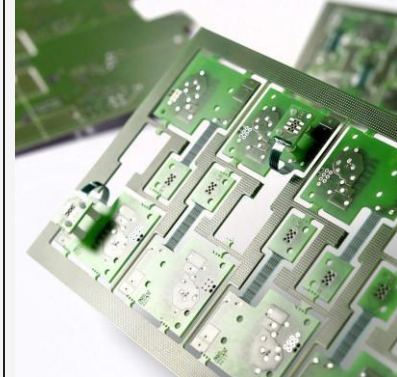

IBAN: DE20 3207 0080 0062 1003 00

BIC-/SWIFT-Code: DEUTDEDD320

Object of the company

Production of printed circuit boards

<u>Single/double-sided printed circuit boards</u>	<u>Multilayer up to 24 layers</u>	<u>Semi-flexible printed circuit boards</u>
		

Prototypes to large series
Express service from 48 hours
Express service up to 10 m²

Production area: approx. 25,000 m²

Production capacity (max. annually): 36,000 m² single-sided printed circuit boards, 120,000 m² multilayer circuits, 120,000 m² through-hole printed circuit boards, 6,000 m² semi-flexible printed circuit boards

Delivery reliability: 99.7

Employees: 51-100

End surfaces:

- Hot air tinning lead-free (HAL) - Sn / 0.3 Ag / 0.7 Cu / 0.02 Ni
- Electroless nickel-gold (ENIG) - 99.9 Au
- Electroless nickel-palladium-gold (ENEPIG)
- Chemical tin (chem. Sn)
- Chemical silver (chem. Ag)
- Organic tarnish protection (OSP)
- Electroplated nickel-gold (hard and bond gold) - hard 99.8 Au / soft 99.99 Au

Final copper thicknesses: 35 - 140 μ

Management

Hildegard Völker, Andreas Brüggem & Katharina Völker
